Madison College
Harrisonburg, Virginia

These are Madison students beginning their first days at college

They are welcomed, given room assigments

and shown to their dormitories by upperclassmen who have returned for this big day.

Freshmen are amazed with registration and the many forms that must be filled out to get into a class.

Meanwhile the scene changes and from the fond embraces and gay chatter it is evident that old students have returned to campus.

Classes soon begin and each day the tower of Wilson watches over the students as they go to and fro.

The old and new join together at the annual Y.W.C.A Candlelight Service on the quadrangle, leaving with the feeling of all being a part of one.

Rettie Warren never tires of relating to students her experiences abroad as Madison's exchange student at the University of London.

The new stuaents are formally greeted by President Miller at his home, Hillcrest, with a friendly smile and warm handshake.

All work and no play would never do at Madison! The German Club Cabaret Dance provided fun and frolic for all.

New acquaintances are made with the old and the new at the Major-Organizations Tea

Arriving on our campus from Brazil, Vera Gomes unpacks and soon begins to feel at home amid the hustle and bustle of our college routine.

New students at last begin to feel a part of Madison when they are welcomed by the student body in the traditional Old Student–New Student ceremony.

Those long awaited letters from home, Tech, U. Va., V.M.I., and scads of other places finally reach their destination in the P. O. Boxes by no other than the postmaster, Mr. Ralston.

A cup of coffee in the tearoom brings moments of relaxation just before that last class for the day begins.

The Home Economics Majors proudly present their home and staff to the freshmen and faculty with an afternoon tea.

Though our interests and activities are many and varied, we all strive for like goals and many hours of study help us as we travel on the road to education.

Dr. Paul Hounchell

Professor of Education

Dedication

It is with deep admiration and great appreciation that the 1956 Schoolma'am is dedicated to one who has in turn dedicated his life to the field of education and the preparation of future teachers leaving the Madison College Campus.

He has given to each student in his secondary education and school and community classes a broader understanding of the teaching profession and how we as the future leaders of America can make our lives more serviceable to mankind.

To you, Dr. Paul Hounchell, we proudly dedicate the 1956 Schoolma'am.

That long awaited day — Seniors at last!

Classes

Convocation sees the seniors wear their caps and gowns for the first time.

Our Senior Class banquet, a highlight in our Class Day.

Our last class night — didn't we have fun? Who would have thought we'd look like this in 1966!

We've got the pep and the steam and we're always on the go — just the kind of class that everyone should know; that's the class of '56.

Come on and hear,
Come on and hear,
It's the CLASS OF '56.
Let's give a cheer,
Let's give a cheer,
It's the class that really clicks.
We've got the pep and the steam, and we're always on the go
Just the kind of class that everyone should know.
We are the best that ever was,
And that's because—
Our gals are great,
They really rate,
And they've got the spirit too.
We'll make 'em see
The place to be
For every gal and fella too
So if you want to see a class that's got it, just look our way.
Let's give a cheer,
Let's give a cheer,
It's the CLASS OF '56!

The Senior Class

The Senior Class of 1956 had its beginning on September 14, 1952. Then started the rounds of registration, teas, receptions, and getting acquainted with roommates. We were Freshmen from far and near, but we elected Olga Kandis to lead our class as a united group. Mr. and Mrs. Stephen C. Bocskey were chosen as the sponsors of this baby class, and Barbara and Buddy became our mascots.

From the beginning, the Class of '56 has been noted for the "Firsts" it has inaugurated.

We were the first as Freshmen to receive one cut during the first semester, and to sponsor a class dance.

Mary Lou Carroll took over the job of presiding over our class during second semester. Toward the end of our first year, we began making plans for our first Class Day. That year we were on T.V. and stars in our own right.

The next year we returned to campus eager to greet old friends, and to take our place as the Sophomore Class. Our efficient leader was Ray Caplan. We carried on the tradition of selling beanies to the Freshmen. More highlights of this year included rushing and goating.

When February rolled around, our second Class Day was a smash hit with "Ziegfield In Heaven" — the biggest, most elaborate show ever presented on Class Night.

At last springtime came and we concentrated on getting a suntan and decorating our own class float for the May Day parade.

Juanita Mowles was our capable leader during our Junior year. After Thanksgiving we presented "Fantasy In Jazz," a Class Night second only to ours of the previous year.

This year we received many long, interesting letters from "Rettie" Warren, our own exchange student to England. This was another "first" for never before had the student body of Madison sent an exchange student overseas for study.

This year also the May Queen wore a jeweled crown presented by our class to the school for use in all future May Day coronations.

Then in a flurry of campaign speeches and decorations in Harrison Hall, major and minor elections were held and we took the guiding reins.

Here at last — we had moved up as Seniors. When our sister class "capped" us, we knew we were really here. Leading us through this year of heightened activity and responsibilities was Margaret Hartsel. And we were to have a brand new mascot, Betsy Jo Bocskey.

Many of our class were away from campus doing their student teaching in various parts of Virginia. Soon we were occupied with placement credentials, interviews and applications. Oh yes, we all had plenty to occupy our time.

And this year from our class were chosen the Madonna and Joseph, Miss Madison, Apple Blossom Princess and the May Queen.

"Moving-Up Day" brought mixed emotions as we moved out of the student body of Madison College. We took our last exams, and all too soon we heard the strains of "Pomp and Circumstance" bring to a close our happy college days.

Now as we look back as alumnae over four full and rewarding years at Madison, we begin to realize how much more it meant to us than only a degree after our names and facts in our heads. We will remember and cherish fond memories of friendly faces, the traditions that meant so much at Madison, the happy times, and the sad times, the experiences we may never have again.

Juniors are honored guests at class banquet.

If Arthur Murray could see us now.

Shakespeare saith, "This is a sorry sight."

Here we are,
The class of '57's going far.
You really started something
Your true blue, we do mean you
We will give a cheer and let the others
Know we're here, so
Come on kids and let the rafters ring
We'd sing out loud and clear,
And when you hear this song
You'll want to sing along
With the Class of '57.

The Junior Class

The Junior Class was glad to return to campus this fall to assume the status of upperclassmen.

The first few days were spent meeting and getting acquainted with our "Little Sisters." We really enjoyed entertaining them at the Big Sister - Little Sister Party, which was the climax of Freshmen Week.

This year we also had the pleasure of being the sister class to the Freshmen.

Before we knew it, Thanksgiving had arrived and we were all on our way home for a few days.

Those days right after Thanksgiving were really busy ones. They were filled with rehearsals, committee meetings, and hours of "just plain hard work," for December 7 was our Class Day. The day finally arrived and we were proud to present our speaker, Mrs. Martini, who has been the foster mother to many of the cat family at the Bronx Zoo.

That badly needed vacation was welcomed with a sigh of relief, as everyone left for those joyous days of Christmas.

Oh dear! Those inevitable exams were there to meet us at the end of January, but as usual, we all seemed to survive.

Before we knew it, Moving-Up Day was here, the day that seemed so far away when we were Freshmen. It didn't seem possible as we watched the Seniors march out that WE would be the ones taking their places!

Looking back, let us remember Class Day, dances, holidays, Moving-Up Day, and exams.

Also not to be forgotten is our president, Shirley Humphries, who stepped so magnificently into the shoes of Betty Henderson Bryant when Betty resigned early in the fall. Laurels also go to our sponsors, Dr. and Mrs. Smith, who were always there when we needed them. These three saw us through a tough but successful year and left us eagerly waiting for next year when we would be the "stately seniors."

First row: Betty Beville, Treasurer; Eloise Lohre, Secretary; Bev Belt, Vice-President. *Standing*: Martha Goodwin, Reporter.

There's nothing like a good minstrel . . . . . .

Hey man, she's sure some president . . . . . .

Ye good ole jamboree . . . . . .

We are the Sophomore class of Madison,
We've got a lot of work that's to be done;
But in the years that come and go you see,
We'll do our best and make our mark in history.
So won't you watch us as we work so fast,
To break each record that was in the past.
So give a great big cheer for the class
That rates — really rates —
The Class of '58.

The Sophomore Class

PRESIDENT

Priscilla Shafer

September found the Sophomores eagerly greeting old friends and new transfers who were quickly accepted and initiated into all phases of life at Madison. Little time was lost also in greeting the Freshmen and making them feel "right at home."

After sponsoring the traditional sale of Freshman beanies, we capped and pinned our new friends at the old student - new student ceremony. The night we capped our sister class, the Seniors, we were overwhelmingly happy and indeed felt as if we played an important role in the campus activities.

Vacation found excited Sophomores departing from campus with many suitcases, including one full of books, and returning with wonderful varied memories, and of course, the same untouched suitcase of books.

Following vacations, exams were met and outlived as we participated in many extra-curricular activities. Plans made early in the fall for our class day were rewarded when our presentation of "Bones" proved to be quite a success.

Priscilla Shafer, our prexy, deserves a double round of applause for her outstanding leadership throughout the year. Another vote of thanks to our class officers and the undying class spirit. To the Mengebiers, our sponsors, we express our appreciation for making our year complete.

Parties at home were never like this!

And exams are only a week away?

Then there's that Saturday afternoon without a date—

We are the Freshmen, this is our day.
We are the Freshmen, happy and gay.
We'll never cease to follow
With spirit that's fine
'Cause we are the Freshmen
The Class of '59.
Join in our spirit, join in our fun.
Watch as we travel, join in everyone.
Our aim is for the highest
Madison will shine
For we are the Freshmen
The Class of '59.

Freshmen

OFFICERS

First row: E. Gregory, President; Mr. DeLong; Mrs. DeLong; H. Harnsberger, Vice-President. *Second row*: E Clemens, Secretary; V. Moffett, Reporter; B. Cooley, Sergeant-at-Arms; B. Snellings, Treasurer.

The Freshman Class

The Freshman Class is well informed on the emotions one experiences when she enters college. With hesitant steps and hopeful hearts we entered Madison, and became known for the first time as college freshmen. We admit the path was rough, but with determination backing us and success as our goal, we marched onward

We found new friends in our dormitory life, and developed (slowly we admit) the habit of getting to eight o'clock classes on time. The upperclassmen and big sisters helped us immensely in adjusting to this new environment. They were always there with a pep talk and a helping hand. A tinge of homesickness hit us all at one time or another. Those chocolate pies seemed so far away, and father's pocketbook seemed even further. Homesickness always seemed to pass quickly, and learning the rules took up most of our time.

After this exciting month passed from our lives, we felt closer to Madison and her traditions. In October we elected our officers, and this was followed by the Old Student-New Student Day when all the Freshmen were capped and pinned. Adorned with beanies, we were now definitely a part of Madison College. Thanksgiving found us a happy crowd; our first real vacation at home. Christmas Spirit glided swiftly into each of our thoughts, and study seemed an impossibility. Christmas holidays began and, not knowing, we tried to take our entire wardrobe home with us.

Exams! The word murmured under the breath of each freshman. With sleepy eyes and a shaky hand, we faced these monsters, vowing never to wait until the last minute to study again. Then there was the day the grades were issued! Pink slips were fluttering all around campus accompanied with laughter, tears, and "Oh boy, I made the Dean's List!"

Freshman Class Day still faced us. The plans seemed incomplete, the talent was scared, and of all nights the piano was out of tune. What happened? Of course, you guessed it, it was a huge success and we found our work had not been in vain. We had the everlasting memories of our class working together to produce not only an outstanding class night, but a class spirit which brought us closer together. May Day came with the magnificent array of flowing gowns, flowers, and smiling faces.

Our first year closed, thus bringing to an end one of the most memorable years of our lives. With tears in our eyes, we looked back and saw that "call down" slip, that first tea, that long distance telephone call, that formal dance, and those friends we shall love forever. Uttering the last "Good bye" we left, never to forget those cherished memories each Freshman holds dear.

DR. G. TYLER MILLER

President of Madison College

TO MADISON STUDENTS, FACULTY, AND STAFF: GREETINGS AND BEST WISHES!

A special message to the 1956 Graduates

It has been a pleasant and satisfying experience to have been associated with you during your years as students at Madison. You have rendered outstanding leadership to the College, and I wish to commend you for your loyalty and cooperation.

As alumni, you will continue as important members of our Madison College family. It is my hope that you will recall your years here with pleasure and satisfaction and that you will find that your experiences at Madison have been valuable in preparing you for your life work. In future years, I hope that you will demonstrate your interest in and sentimental attachment for your Alma Mater and that Madison may look forward to your continued loyalty and support. My heartiest congratulations and best wishes for your future happiness and success are extended to each member of the Class of 1956.

Sincerely,

G. Tyler Miller, President

Hillcrest — Home of the President

Dear Seniors:

Last May it was my good fortune to attend an International meeting at Lake Placid, New York. Representatives of more than fifty countries were present. The regularly scheduled programs at this meeting were excellent, but the programs did not begin to constitute the greatest benefit that I derived from my attendance there.

By far the most inspiring, the most valuable experiences that I had were my associations with my fellowmen from all parts of the world — from India, Norway, Malaya, Chile, Germany, Australia — from Finland, Mexico, Japan, Scotland, New Zealand, Argentina and other countries too numerous to mention. In the dining room at meal times, in the evenings as we sat on the front lawn overlooking beautiful Mirror Lake or as we gathered on the back lawn with the rugged splendor of the Adirondack Mountains in the distance, I came to know, to understand, to appreciate and to love persons from many parts of God's Kingdom. As we talked from time to time, there developed a mutual respect for each others point of view, a fairness and broadmindedness and fondness for each other that transcend mere acquaintanceship and superficial friendship. I found that my fellowmen from other parts of the world have very much the same aims, aspirations, ideals, and principles as those which we cherish in the United States. Their concept of the Good Life does not differ markedly from ours. They are people with noble personalities and consecrated souls, and these people have inevitably become symbols of the countries from whence they came.

Yes, world problems become much smaller and understanding of each others ways and lives become a reality when we get to know each other. Now it is not always possible for us to meet in person citizens of other countries. But it is possible for us to become acquainted with them through the study of literature, social science, art, music and the like.

As you leave Madison, I extend to you my very best wishes and challenge you to make friends, either personally or vicariously, of the citizens of other countries to the end that we may attain a brotherhood on earth consonant with the will of Our Father Which Art In Heaven.

Sincerely yours,

Percy H. Warren

DOROTHY S. GARBER

A cursory examination of the many college catalogs in America reveals a similarity of organization among the colleges into three general divisions, namely: Faculty, Administration, and Students. We are all familiar with President Miller's opening remarks in assemblies when he says, "Members of the faculty, administrative staff, and students of Madison College—." In other instances, the administrative staff may be referred to as the non-teaching personnel of the college. Whatever the categorical designation appended to this group may be, its personnel wishes to bid those of you who will be leaving Madison at the end of this session for the last time a fond farewell. We have appreciated the opportunity of knowing and working with you during your stay at Madison. We sincerely hope that our acquaintances and associations together on the campus will continue to flourish and that they will ripen into broader friendships throughout the years to come. We would like for you to think of Madison as your Alma Mater and to fondly remember your college days throughout the years which lie ahead.

Madison, through the services of placement, follow up, school visitations, and alumni activities, will make a concerted effort to keep in contact with you. A record of the achievements which you have accomplished at Madison will be carefully safeguarded and preserved for use when you want and need it in the future. An official transcript of this record can be reproduced and made available for you at anytime upon a request to the office of the registrar. The health records are kept on file by the college for a limited period of time after which they are consigned to the confidential discard. Should the need arise for a referral to any of these records, that information can also be provided. On the other hand, if you should need a personal reference, the members of the administrative staff will be glad to be of service to you. You have a standing invitation to come back and visit the campus at your convenience. The deans of women, the house mothers, and the dietitians will be happy to welcome you whenever you pay us such a visit.

One cycle of the academic wheel is completed each year with the graduation of the seniors and the orientation of freshmen. For healthy growth and progress, these two occasions should be in proportionate balance. The planning and providing of facilities for such growth is one of the chief concerns of the business management of the college. It then becomes a task for each of us to work together to accomplish this feat. You, as alumni, can play a major role by influencing others to follow you here and experience Madison as you have done. The road ahead will be both smooth and rough, which is as it should be, since too much smoothness can lead to stagnation. We want to wish you happiness and success neither of which should be taken for granted but can be achieved through maturity, knowledge and faith. You are thoroughly capable of achieving these goals and we at Madison are backing you towards that end.

Organizations

The B.S.U. Sweetheart Banquet looks like lots of fun.

The Student Government Association

Warren, M Caton, B. Messersmith, S. Blankenship, K. Ballagh. *Not pictured*: P. Bond, Treasurer; J. Flora, Recorder of Points; J. Platt, S. Smith.

The Student Government Association is the organization of Madison students to help its members grow in character and power through individual self-government. The members can enjoy its privileges by accepting and assuming its responsibilities.

For the Student Council the year began prior to the opening of school with a delightful week-end at college camp. As always, we looked forward to welcoming the new students to Madison. To draw the new students into our friendly college atmosphere, we sponsored, with their cooperation, the Freshman Talent Show, the dorm Coke parties and sings, and the Major Student Organizations Tea. This year the Senior Counselors were a great help to the Student Council by teaching the **Handbook** classes; they succeeded in doing a fine job.

The annual opening formal dance, sponsored jointly by the women's SGA and the Men's Student Government Organization, was an evening to be remembered. Dancing to the music of Joe Gleese and his orchestra and being surrounded by the atmosphere of "Autumn Leaves," revealed a gayer side of student government.

Much time was spent by the Student Council this year in considering the possible membership in the United States National Student Association. The vice-president of this organization visited our campus telling us the features and functions of it and answering our numerous questions. A representative from Madison attended the Carolinas-Virginia Regional Meeting at Lynchburg College. The Council is still considering what action to take. The Southern Intercollegiate Association of Student Governments convention was held at Mississippi Southern College, Hattiesburg, Mississippi, and was attended this year by five Madison College delegates. While it was indeed worthwhile and informative, it also proved to be a wonderful social experience.

Through the cooperation of all its members, the fine leadership of our president, Sarah Munday, and her council and assisted by our advisors, Dr. Caldwell, Mrs. Garber, Miss Hoover, Mr. Partlow, Miss Wilcox, and Mrs. Wilkins, the women's Student Government Association brought to a close another year striving for higher goals and a stronger organization.

PRESIDENT
Sarah Munday

The Honor Council

First row: M. Maier, N. J. Roberts, E. Lehman, Secretary; M. K. Rubush. *Second row*: P. Long, J. Alls, N. Gardner P. Nicholas, B. Johnson, A. Turner, T. Byrd. *Not pictured*: P. C. Stabler.

The Honor Council is a coveted heritage on Madison's Campus. Through the years it has grown stronger in its efforts of promoting personal integrity and straightforwardness in the speech, conduct, and thought of all students.

Elected representatives from the classes and Men's Student Government Organization serve as an impartial court to uphold the Honor Code in all respects. Starting off the year the Council sought to acquaint each new student with the Honor System on our campus. Later in the year a joint Christmas party with Student Government was enjoyed.

Heartfelt thanks and warm appreciation go to our advisors, Dr. Charles C. Caldwell, Dr. David L. Hatch, and Dr. Raymond C. Dingledine, who have given valuable guidance and counseling to the Council through the year. May the Honor System continue as a mighty and unalterable tradition in future years

CHAIRMAN
Charlene Myers

Standards Committee

First row: S. Hart, C. McCormick, S. Peters, B. Hundley, J. Steigleman, J. Hamilton. *Second row*: B. Loving L. Davis, G. Lewis, C. Pope, P. Bennett, S. Shearer. *Not pictured*: C. Barnes, S. Armstrong, S. Humphries, F. Broaddus.

The Standards Committee has as its aim to promote high ideals of social conduct and appearance on our campus. Its members are always ready to act as advisers on such questions.

This year we assisted in registration, with President Miller's reception, with the dance "Autumn Leaves," and with the May Day Dance.

The Standards Committee finds itself responsible for answering a number of questions. Where may we cut campus? When may we wear bermudas? What are the dance regulations? In answering these questions the Standards Committee has the desire to contribute to the wholesome living of all students on campus.

CHAIRMAN
Suzanne Young

The Social Committee

First row: S. Hanson, M. Slough, B. Johnson, G. Shaeffer. *Second row*: B. Morris, P. Rogers, E. Hill, S. Fairfield, C. Evans.

The Social Committee is one of the many organizations on campus that does much of the "behind-scenes" work — arranging and serving for teas and receptions, polishing silver for all these functions, planning and decorating for dances — activities which provide invaluable social experience for the sixteen girls of the committee.

Soon after school opens, the committee begins its year's work by organizing and directing the Major Student Organizations Tea, a social function to help acquaint the freshmen with the officers of the campus. The next major activity is the Opening Dance, which is planned and given with the Student Government Association. This year the theme was "Autumn Leaves," at which the gym was transformed into an "almost-real" outdoor garden.

During hockey and basketball seasons, the committee members serve as hostesses at teas for the teams after all home games.

In the spring the girls are kept quite busy helping with three important campus activities. The May Dance is arranged by the committee and dance clubs assist in decorating. The committee members plan and serve for the Senior Dance and serve for the Senior reception at Hillcrest.

Mrs. Logan, our advisor, is always ready to counsel and guide the Social Committee in its endeavor to uphold the social standards of the college.

CHAIRMAN
Frances Brickey

First row: P. Nicholas, E. Wayne, L. Webb, Treasurer; A. Clark, A. Fosnight, B. Powers. *Second row:* B. Bishop, E. Turpin, S. Shearer, M. Southard, T. Kostul, Chairman; M. Cromer, J. Hamilton, S. Abbott, Vice-Chairman; J. Kafer, F. Jennings.

The Recreation Council

Through the representatives of dormitories, sorority houses, and major organizations, the Recreation Council endeavors to make your college life more enjoyable here on campus through the profits gained from the coke machines.

The Council attempts to satisfy all recreational needs brought to its attention by these representatives. Records, ping-pong equipment, card tables and cards are but a few of the facilities provided by the Council. And last, but not least, the great May Day parade with its beautiful floats is another of the many activities it sponsors in an attempt to enhance a more enjoyable year.

The Handbook Staff

Working hard, the **Handbook** staff secured ads and other information which went into a Handbook that eliminated a lot of the unnecessary, yet provided a book that is meaningful and useful to every student.

The **Handbook** is a source of all information for all Madisonites. The answers to nearly all questions concerning life on our campus may be found somewhere within its covers. It includes not only the rules by which we are governed during our years here but also gives us helpful hints on what to wear when and other matters of standards. Our various extracurricular organizations occupy an important place in the book. Also included is an explanation of Madison's customs and traditions as well as words and music of our **Alma Mater.**

The **Handbook** contains vital information and is dedicated to the incoming students of Madison College with the hope that the contents therein will help them to appreciate the values and potentialities of college life.

S. Brown, Editor; J. Webster, Assistant Business Manager; N. Williams, Business Manager; A. Townes, Assistant Editor.

First row: P. Long, M. Hazel, J. Rinker, Fire Chief; R. Chandler, D. Smith. *Second row*: H. Poindexter, D. Glass, L. Cobb, N. Van Asdlen.

The Fire Safety Committee

The Fire Safety Committee has completed its third year as a unit on campus by contributing to the safety and health of us all. This committee is composed of the campus fire chief, Joyce Rinker, and an appointed fire chief from each dormitory.

A program was carried on in the Fall to inform the freshman student body about the proper procedures which were to be followed during the year. Fire drills were then given at various times of the year to remind us of the importance of being constantly prepared.

The Granddaughters' Club

The Granddaughters' Club was established in the fall of 1939. Its aim is to create a closer friendship among the daughters of Alumnae. It also helps us to find out more about our mothers.

This year under the leadership of our sponsors, Mrs. Derrick and Mrs. Dingledine, we have enjoyed many good times. Our Christmas party was a big success with the club preparing a box of presents for the ladies at the home for the aged at Massanetta Springs. Other activities were helping with Founder's Day and Homecoming.

First row: E. Marlowe, M. Abell, N. Gordon, B. Bauserman, B. Messersmith, Vice-President; E. Henson, President; E. Webb, M. Gander, V. Lewis, B. Prince, L. Wymer. *Second row*: P. Long, L. Moyers, J. Henson, M. Crush, A. Lutz, B. Kirkpatrick, J. Craun, H. Harnsberger, J. Artz, A. Corbitt, J. Zehring, A. Chapman, K. Deal.

The Mens' Student Government

Some of our men students.

The Men's Student Government Organization helps us men, outnumbered as we are, to find our place in what appears to be a woman's world. For purposes of student government, promotion of student-faculty relations, acting as an intermediary between the administration and the men students, and promoting the general good will and welfare of the college and student body, the Men's Student Government Organization is the most vital men's organization on campus.

We have our own complete system of self-government administered through the Student Council, made up of officers and the Student Court which is composed of representatives elected from each class. Any breach of college rules, traditions, and social etiquette, as well as problems or ideas which the men want to bring up, are handled through this organization.

A standing athletic committee has the full responsibility for all sports activities. This committee sponsors the Dukes, our basketball team, which had a busy and successful year.

PRESIDENT
Dale Long

The year began in traditional fashion with our annual smoker in Logan Recreation Room. In addition to providing delicious refreshments and splendid entertainment, the event stimulated better new-old student relations as well as student-faculty relations.

Men students at Madison have earned a place in many campus organizations. In singspirations, assembly programs, dramatic productions, class night activities, and many club meetings, we find the men students a vital part of the scene.

With Dale Long as president, the Men's Student Government Organization opened a path by which the men students held their own in what appeared to be a woman's world here at Madison College.

A favorite pastime.

They don't all play cards.

Another favorite pastime — relaxing in the Tea Room.

The Breeze, Madison's student newspaper, now in its thirty-third year of publication on campus, has progressed greatly since its first appearance on December 2, 1922. This weekly paper, distributed to the student body each Friday night, is written primarily for the students to inform them of coming events, brief them on past events, and offer them an opportunity to share opinions and views on campus happenings.

Each Tuesday and Thursday night, members of **The Breeze** staff may be seen in their second home (Logan 9, **The Breeze** room) sweating over headlines that just

don't seem to fit, news stories that don't seem to have enough "spice," pictures that take up too much space, features that there are too many of or not any of, stories and columns that haven't been turned in, subjects for editorials, or the constant problem of making up a paper that is "eye-catching" and balanced.

But despite the many headaches and constant chaos there is always time for laughter and continuous striving to put out "our best yet!" On special occasions the staff puts out six or eight page editions and, of course, the annual April Fool's issue, our pride and joy.

Breeze

In November the associate editor, Ann Fosnight; make-up editor, Sylvia Painter, and advisor, Miss Clara Childs, attended the Associated Collegiate Press convention in Detroit, Michigan. They brought back many helpful hints for improving the paper and we have attempted to put them into practical use. The Associated Collegiate Press rating for **The Breeze** was raised from third class to second class during the year. **The Breeze,** with the publications of Bridgewater College, was co-host for the Southern Intercollegiate Press Convention held in March. Over one hundred delegates from colleges and universities throughout the region attended.

Many new members were added to the staff this year, most of whom were just embarking upon their college career. Deserving special credit are Ann Fosnight, associate editor who was truly the editor-in-chief's "right-hand man"; Jo Gildersleeve Snyder, news editor; Bee Ellis, headline editor; Naney Gardner, copy editor; Sylvia Painter, make-up editor; Jan Bolen, sports editor; and Carolyn Evans, feature editor. Also an extra "tip of the hat" goes to "Skip" Michael who served both as reporter for student teachers and reporter for men students and to Dottie Groves who served as acting business manager for six weeks. Staff members behind the scenes, such as those who handled business matters and the distributors should be credited for a job well done. Nor can we forget the grand work done by our professional photographer and friend, Bob Riley!

Our new advisor, Miss Clara Childs, has been willing to offer suggestions whenever needed and has aided us greatly in making this a most successful year for **The Breeze.**

The Schoolma'am, now in its 47th year, was the first student publication on Madison campus. This edition got into full swing with Bob Riley taking pictures of the Freshmen on their first day at school.

As the year progressed, Mary Sue held many meetings with the staff, publisher, and printer about that all-important issue, the '55-'56 yearbook. Phyllis Sawyer, Associate Editor, helped Shirley Humphries, Organizations Editor, to send out the contracts. They were busy scheduling pictures, trying to get them all taken by the time some of our fellow students left for that exciting eight weeks of student teaching. Lola Jones was our capable Business Manager and she was to leave on that adventure. Therefore, it was nothing exceptional to see her scurrying around, trying to be sure that our budget would balance this year. Ann Terry deserves special recognition for taking over when Lola left and doing a superb job with the "business end of the deal."

Schoolma'am

This year our photographer, Jerry Golden, was with Rappoport Studios in New York. He came before and after Thanksgiving to take the individual pictures. When the pictures were returned to the college, the class editors had their big job of numbering and placing each picture.

After Christmas, we had the task of meeting that March 1st deadline. Fern Jennings was often heard saying these words, "Have you handed in your copy yet?" She, too, spent many hours numbering pictures, then checking and rechecking to make sure that all pictures and copy coincided with each other. If you happened to see someone balancing from a tree limb or hanging out a window, you could take it for granted that Katherine Samford was trying to create something different for the Feature Pages. Bev Pierce really had a time with the Physical Education majors. You just try to get them to pose for a picture! But she succeeded in doing a bang-up job with the Athletic Section.

These are just a few who have helped to make our book a great success. However, it is those who type and get ads, along with other little jobs, whose hard work is never realized. Our able advisor, Miss Brady, has done more than her share to see that the 1956 **Schoolma'am** is the best yet.

When you join the Y.W.C.A., you receive a membership certificate which states the purpose of the Y.W.C.A. This purpose is that:

"We unite in the desire to realize full and creative life through a growing knowledge of God.

"We determine to have a part in making this life possible for all people.

"In this task we seek to understand Jesus and follow Him."

During the year the "Y" Cabinet works together to make this purpose a reality on our campus.

Through such activities as the Big Sister - Little Sister program, the annual "Y" candlelight service, Singspiration, Friday Chapel, Sunday Vespers, Dorm Devotions, the Halloween Party, the Christmas Kid Party, Religious Emphasis Week, and many others, the Y.W.C.A. seeks to enrich the spiritual and social life at Madison. To promote Christian fellowship and training among the freshmen, the Junior "Y" is organized each year. The various programs and projects are planned and directed by the Y.W.C.A. Cabinet, made up of officers and representatives from each class.

The Y.W.C.A. continues and will continue to help the students and faculty alike to know the full significance of the Christian life.

Standing: A. Cross, Program Chairman. *Seated*: M. Tolmon, Secretary-Treasurer; G. Moffett, President; B. Bishop, Vice-President.

JUNIOR 'Y" OFFICERS

E. Padgett, Vice-President; W. Garrett, Treasurer; D. Soyars, President; N Miller, Secretary; J. Leffel, Chaplain.

The Y. M. C. A.

The Y.M.C.A through its varied programs, participation in Friday chapel services, church work, and the Christmas Pageant, has tried this year to enrich the spiritual lives of its members. Christian fellowship and worship have been of toremost importance in the minds of the leaders of this men's organization.

Growth should always be an important part of a Christian's personality and the Y.M.C.A. has tried to kindle growth in all fields in every one of its members. Participation in inter-faith councils, in social and religious committees, and various other organizations has stimulated this growth.

The "Y" this year has endeavored to work more closely with the local churches of Harrisonburg and we hope to expand this project to even greater accomplishments in the future.

Of course, no organization could ever exist without the sincere efforts of its sponsors. Ours is no exception. Mr. Hanson and Dr. Chappell receive our hearty thanks.

The Wesley Foundation

The Wesley Foundation at Madison is part of the Methodist Student Movement in Virginia. Through the cabinet and council structure, this Methodist group carries out many varied programs of worship and study, as well as activities of a social and recreational nature and service projects.

After a Fall Retreat at Massanetta Springs, we began welcoming our freshmen on campus and inviting them to join the congregation in the new Wesley Foundation room at Asbury Memorial church. The freshmen organized into Methodist dormitory groups for devotion and discussion groups. Each enjoyed a supper at the home of Mrs. Gibbons which gave them an opportunity to know better the Methodists in their dorm, as well as Mrs. Gibbons and the president of Wesley.

This year the Madison Wesley and the Wesley at University of Virginia exchanged programs. They were our guests one Sunday night; on a later Sunday a large number of our group made the trip to Charlottesville for an enjoyable evening there.

The Madison Methodists have been well represented at the MSM conferences. In March we were happy to be hostess for one of these conferences. None of us shall ever forget the inspiration brought to us by the speakers at these various meetings.

Several Friday nights we met in Alumnae Hall for discussions which brought us closer to God and His work.

Our purely social activities began with a party given us by the ladies of the church. In October we took a trip to Skyline Drive and enjoyed the autumn scenery. November found us at College Camp for a delightful Saturday afternoon. In February we had our annual banquet, this year using the theme "Land of Mother Goose."

The Wesley Foundation is devotedly guided by Mrs. H. K. Gibbons, our counselor, teacher, and "mother away from home," and our minister, Rev. W. M. Lockett, Jr.

Newman Club

The Newman Club, named for Cardinal John Henry Newman, is made up of the Catholic students on campus. We are federated and are a member of the Piedmont Province of the National Newman Club Federation. We are organized to work together in achieving personal and group development spiritually, intellectually, and socially. Working with us are Mrs. Leland Schubert, our devoted sponsor, and Father John McMahon, our Chaplain.

We gather every Tuesday and Friday to say the Rosary, and have regular meetings twice a month. We have an annual retreat, have Communion breakfasts each semester, and observe Cardinal Newman Day in February.

Our newest undertaking is the caring for children while parents attend 10:00 Mass on Sundays.

Each year we look forward to our unforgettable candlelight initiation of new members, visits to the home of Mr. and Mrs. Leland Schubert, and trips to the University of Virginia.

Schwarzenau Club

The Schwarzenau Club is organized for Church of the Brethren students with Mrs. Lawrence Hoover and Mr. Olen Miller as adult advisors. Our aims are to foster a well-rounded spiritual, intellectual, and social program for all members.

The members of the local church are always willing to help us and they try to make each of us feel at home. At the beginning of the year we had a banquet at the church and each member of the club was given a church mother and father.

Our activities include business meetings, socials, and joint fellowship with the local C.B.Y.F. At Christmas we had a speaker and a party. Our future plans include a weekend retreat to Rawley Springs with election of officers.

We feel we are learning to know each other better and are really becoming a part of the Harrisonburg Church of the Brethren.

Baptist Student Union

The Baptist Student Union has continued to create a closer relationship among Baptist students on the campus and the Harrisonburg Church.

At the pre-school retreat at Massanetta, plans were made for the new year. Our welcome mat was out for all new students with the annual church party and Join The Church Day. With the B.S.U. bus furnishing transportation to Sunday services, visits with the Dickersons, Pause For Power, Friday Fellowship, and the Choir — all help to make Christ really live at Madison.

At the state convention in Roanoke, we presented the spirit of our B.S.U. and secured one of the state offices. December found us with Mrs. M. Jackson White at the annual Y.W.A. banquet. We were happy to return to school in January to our beautiful new student center on Main Street. This is an addition of which we are very proud. Our banquet theme, "Something to Remember You By," was made complete with V.M.I. as our guests, and Rev. Walter Connelly as our speaker. In the spring we welcomed Mrs. Jones to our campus for Spiritual Emphasis Week.

As B.S.U.'s it has been our desire "to develop wholesome social life and strong Christian friendships."

Lutheran Student Association

The Lutheran Student Association was organized on Madison campus several years ago for the purpose of leading the Lutheran Students into a richer life and to find a closer relationship with God.

Under the direction of our president, Adrienne Anderson, and the guidance of our sponsors, Pastor and Mrs. Fenner, the Brauns, and Miss Katherine Sieg, we started the year of 1955-'56 by holding our annual banquet with the L.S.A. from Bridgewater College attending. Several of the members participated in the Christmas program at the church. There were devotional services held on campus, conferences, and evenings of fun and fellowship. With these and many more activities, we feel that this has been a most successful year for the L.S.A.

Westminster Club

The Westminster Fellowship, made up of Presbyterian students and other students who wish to make our local church their home, has as its ultimate purpose the growth of the student spiritually as well as educationally.

Each Sunday we have participated in Sunday School and Church Service in the morning and supper, recreation, and a program at night.

Our minister, Dr. Albert G. Edwards, our student worker, Mrs. James Albertson, and our advisors, Mr. and Mrs. Sam Shrum and Mr. and Mrs. David McCorkle have helped us grow by providing for us full and rich religious experiences and by helping us find a place in the church in which to serve His Kingdom.

Canterbury Club

The Canterbury Club fosters for Episcopal students in college the warm experiences to be found in group fellowship and study of the Christian way of life.

On Sunday nights we meet in the parish hall of the church for supper which is followed by an evening service and a program. We have a wide variety of interesting programs centered around our theme, "Personal and Christian Ethics."

The Canterbury Club's activities this year have included several visits and participation of members in the services of various mountain missions, a trip to the National Cathedral in Washington, D. C., a week-end at college camp, and participation in district and regional conferences at Roslyn.

Every Thursday night the Canterbury Club sponsors an Evening Prayer Service in the "Y" room in Alumnae Hall.

Under the guidance of our advisor, Mrs. Percy Warren, and rector, Mr. Ward McCabe, 1955-'56 has been a most successful year.

Sigma Phi Lambda

Scholarship, Fellowship, Leadership. These three words sum up the aims of Sigma Phi Lambda, the local honor society on our campus. Through monthly meetings we try to follow our purpose to make the society meaningful to every student who qualifies for membership.

After a very enjoyable and successful tea for the freshmen in December, we concentrated our thoughts on Sigma Phi Lambda. In our assembly program, we again brought a movie to campus. Walt Disney's featurette, "Bear Valley," was well received by the entire student body.

Two of our outstanding program meetings have been the presentation of slides by Miss Glada Walker and Rettie Warren, both of whom visited Europe last year.

Guiding us well through the entire year of programs, the assembly, tea, initiation of new members, and election of new officers have been this year's officers, led by Adrienne Anderson, and our sponsor, Dr. Richardson. Each member of the society thanks them and expresses appreciation for all their efforts.

Kappa Delta Pi

Kappa Delta Pi, a national honor society in education, formally recognizes with membership those juniors and seniors who have met the national membership requirements of a scholarship grade above the upper quintile point of the college, a certain number of semester hours in education completed or in process of completion during the current session, indication of a continued interest in the field of education, and a manifestation of a desirable personal habits and leadership attributes. Under the leadership of its president, Helen Boyd, and its advisors, Miss Frances Grove and Mr. A. K. Eagle, the organization has strived to carry out its aims of encouraging high professional, intellectual, and personal standards, and of recognizing outstanding contributions to education.

The month of November was one filled with many events for Kappa Delta Pi, beginning with the tapping and initiation of twenty-seven new members, who with the old members, pledged themselves to support and uphold the aims and purposes of the society. November 7th marked the beginning of National Education Week, with Kappa Delta Pi Day falling on November 9th. The society sponsored Dr. M'Ledge Moffett, Dean of Women at Radford College, as the assembly speaker. Her topic was "Becoming the Educated."

PRESIDENT

The remainder of the year was devoted to the program theme of "Acquiring Culture for Teaching." At the January meeting Rettie Warren enriched our knowledge of life abroad by showing slides of her year spent in Europe. In February, Miss Clara Childs, a member of our faculty, shared with us her experience and knowledge acquired while teaching in Alaska.

Probably the biggest event of the year, however, for Kappa Delta Pi was the biennial convocation, held in March at Oklahoma A & M College, Stillwater, Oklahoma. Alpha Chi Chapter of Madison College was represented there by Helen Boyd and Joan Harvey, who brought back to the society new and stimulating ideas in the field of education, as well as a deeper and more appreciative feeling of the great value of being a member of such a society as Kappa Delta Pi. The year officially closed with the installation of the officers for the coming year and the traditional banquet in May.

Alpha Chi Chapter of Kappa Delta Pi was installed at Madison College on January 30, 1928, by Dr. Thomas C. McCracken. Through the years its membership and activities have enlarged and expanded until the organization today is one of the largest on campus and contributes a major part to the fostering of education in the college. Membership in Kappa Delta Pi fills one with professional pride and a desire to give his utmost to the promotion of a democratic and child-centered educational program.

The Ushers

The Ushers are on hand for all programs in Wilson Auditorium. Our job is to assist you in finding a seat and to answer any questions pertaining to the program.

We have served to the best of our ability at such programs as the Community Concerts, the annual Glee Club Concert, and lyceum programs.

Mr. Clifford Marshall is the sponsor for the Ushers' Club and Carol Ann Whitehill is head usher.

Junior Marshalls

The Junior Marshalls are appointed by the Junior Class officers, and are always on hand in directing formal processions in an orderly and systematic manner. They are advised by Mr. Shorts and headed by Miss Louise Burnett.

Pi Omega Pi

Pi Omega Pi, a national honorary fraternity in business education, aims to promote scholarship and high ethical standards, to aid in civic betterment in colleges, and to teach the ideal of service as the basis of all worthy enterprise.

Successful activities during the year include administering business placement tests to new students, sponsoring shorthand and typing contests for high school students, presenting an award to the sophomore business major with highest average, and presenting monthly business education programs at the club's meetings.

New members were initiated at the December meeting followed by the annual Christmas party. Pi Omega Pi Day activities in March included sponsoring a speaker in assembly and holding a banquet at The Gables where initiation of new members and election of officers took place.

Future Business Leaders of America

The Future Business Leaders of America is a national organization for students of business on both the college and high school level. Its purpose is to provide a better understanding of business practices and procedures and in so doing to increase the individual's worth to the business world in his chosen occupation.

The Madison chapter's activities for this year started with a party given for the freshmen in September. At other meetings there were speakers and informational programs put on by the members themselves.

On the state level the chapter sponsored a State Parliamentary Law Contest. A series of tests were sent to all high school chapters in the state in preparation for the regional and state contests. Both the regional and state contests were organized and conducted by the Madison chapter.

In March the chapter was host to the high school chapters in this region for their annual Regional meeting here. The year was concluded with our annual banquet and installation of new officers.

Le Cercle Francais

Le Cercle Francais was instituted at Madison so that through fellowship and fun, the French students might learn more about France, its language, and its customs.

Ginger Brown has led us this year at our meetings and in our activities, with Dr. Woelfel acting as our advisor and friend. Le Cercle Francais took an educational trip to Washington as one of the high points of the year.

Jeanne Justice is our secretary, Helen Boyd, our vice-president, Harriet Hylton, our treasurer, and Carol Humphries, our reporter.

Le Cercle Francais has tried to help instill into the students a love of the French language. It will continue to help students who follow in the coming years.

El Club Espanol

El Club Espanol is the campus organization composed of those students interested in becoming more familiar with the Spanish speaking countries of the world and their peoples.

Under the guidance of our sponsor, Dr. Martinez, the club has succeeded this year in undertaking and carrying out new activities and projects. Some of these were a social party with Harrisonburg High School Spanish students, the preparing of a Christmas box for a needy family, a wonderful weekend at College Camp, and a trip to Washington, D. C., to visit the Pan-American Union and the Spanish Embassy.

We closed the year's activities with our annual picnic at Dr. Martinez's house.

The Ex Libris Club

The Ex Libris Club is made up of prospective librarians, library assistants, and persons who are interested in library science. We have succeeded in widening our knowledge of libraries and library science through our meetings, outside speakers, and parties. This fall a group attended the Virginia Library Association meeting and toured libraries in Henrico County for a further understanding of a school librarian's job.

With the helpful assistance of our sponsors, Miss Cundiff and Mr. Kraus, we feel that we have had a very successful year.

The Art Club

The Art Club, sponsored by Miss Aiken, Miss Grove, and Miss Walker, began the 1955-'56 season with an unusually large and interested group. A study was made of contemporary paintings and in December, Christmas arrangements were put in all of the dating centers. After Christmas the Miss Madison contest was conducted. Then our big project, a puppet theater, was started in cooperation with the French Club.

Throughout the year we have endeavored to further the interest of art on campus by raising lettering standards on posters and bulletin boards, encouraging exhibits of art work, and helping with decorations for special occasions and dances.

Association for Childhood Education

The Association for Childhood Education has for its purpose to bring together those who are members of the elementary and dual curricula and especially interested in young children in order to exchange ideas and experiences, and to better equip ourselves to uphold the standards of our professional training.

Our most outstanding monthly programs and projects during this year include an enlightening discussion period with the supervisors from Keister Elementary School, our annual banquet, an informative talk by Miss Trent, who has traveled widely in Spain and visited schools there, and a picnic at City Park.

These and the other programs and activities of our organization were under the sponsorship of Dr. Raymond Poindexter and would have not been successful without his expert guidance.

Frances Sale Club

The Frances Sale Club is an organization composed of students majoring in Home Economics. The club's purposes are to further interest in home-making and to obtain a stronger spirit of friendship and cooperation among the girls in all fields of Home Economics and to train them in club leadership.

During the year some of our most successful activities were entertaining high school home economics seniors, attending the state convention in Richmond, and having representatives from several different fields of home economics share their experiences with us.

We'd like to express our appreciation to our advisors, Miss Elizabeth Patterson and Miss Martha Sieg, for guiding us through a most successful year.

Alpha Rho Delta

Alpha Rho Delta, originally founded for all those majoring or minoring in Latin, has been extended to those who are interested in the finer arts and cultures of the old countries. It brings to life the sports, festivities, and grandeur of the days of the emperors.

A touch of humor adds variety to our interesting and educational programs. Our programs include speakers acquainted with these cultures, talks by students, slides, and movies shown by Dr. Sawhill, and trips to museums or other points of interest.

Mathematics Club

The Mathematics Club is composed of mathematics majors and minors with Dr. Ikenberry and Miss Wilcox as our sponsors. At monthly meetings conducted by our president, Jean Howard, the club presents programs of mathematical interest. As their aims members wish to maintain and foster an interest in mathematics on campus.

Besides our monthly meetings, we have our annual Christmas party at which new members are initiated and our annual visit to the Ikenberrys' in the Spring.

The Glee Club

The Glee Club, one of our oldest campus organizations, strives foremost to fill the various musical needs of the college. It seeks to promote better music and musical appreciation on the campus and maintains high standards of conduct and scholarship and full cooperation on the part of each member.

This year proved to be one of outstanding events. A portion of our group was invited to tour for the U. S. Air Force to Iceland and Bermuda. This trip which included our Easter vacation was one which provided a singular experience of educational value and sheer enjoyment. The entire Glee Club presented two programs with the National Symphony Orchestra directed by Dr. Howard Mitchell. Under this director's able baton the group secured a real musical thrill.

Other activities throughout the year included the presentation of "singspirations," assembly programs, and a Veterans' Day program, as well as participation in such events as Convocation, Founder's Day, May Day, and Commencement. Our annual Christmas Vesper service was effectively presented with the V.M.I. Glee Club. Spring activities included presentation of a program in Petersburg and at the Woodrow Wilson celebration in Staunton.

It is with deep regret that we face the realization that this has been the last year of service for Miss Edna T. Shaeffer, the founder and director of the Glee Club, who has worked untiringly through the years in making this group a unified and purposeful organization. The remembrance of her ceaseless efforts, unbounded enthusiasm, patience, and love for every Glee Club girl will be treasured by this year's Glee Club as well as those of the past.

THE MADISON COLLEGE GLEE CLUB

D. Soyars, Vice-President; J. Vanover, President; Mr. Marshall, Director; P. Borst, Secretary-Treasurer; E. Broyles, Librarian.

The Concert Band

The Concert Band is an organization for all Madison College students. As its goal the band seeks to promote high standards of musicianship and interest in ensemble playing, as well as to provide an opportunity for such playing experience. Rehearsals are held every Tuesday night and Wednesday afternoon under the direction of Mr. C. T. Marshall. Activities of the organization include the presentation of concerts both on and off campus and participation in May Day.

The Madison

The Madison College Concert Orchestra has as its primary purpose the promotion of high standards of playing. Highlight of the year for its members is the annual spring tour, a week during which the orchestra gives of its talents to various schools and communities throughout the state. Aside from the tour, second semester also finds the group presenting concerts in several nearby localities. These concerts include a variety of compositions, ranging from symphonies to show tunes to classics. Novelty numbers are included for the younger members of the audience. The orchestra also serves the college at special assembly programs throughout the year.

The orchestra, under the baton of Mr. Clifford T. Marshall, features two vocalists who impress audiences with their renditions of familiar favorites. The beautiful lighting and staging effects that are so much a part of the orchestra leave a memorable impression on its audiences from the opening to the closing.

At the year's end, each member feels a satisfaction that results from his contributions to the varied audiences. He has given pleasure to many, some of whom have never before heard such a group. It is this pleasure that is the musician's reward; that which he gives is returned many-fold.

Diapason Club

The Diapason Club is composed of young organists who, under the sponsorship of Mr. Hicks, try to foster musical interests, abilities, and appreciation on our campus. Some of our activities to accomplish this aim have been participating in recitals, assisting with church music, and our annual tour either to Washington or Richmond to see and play outstanding organs.

Madison College Chorus

The Madison College Chorus, a member of the Virginia Federation of Music Clubs, provides an outlet through group work for those students who have a special interest in choral music.

To be of service, mainly on campus, is the primary aim of the organization. Known as the official "Y.W.C.A. Choir," the Chorus regularly sang in Friday Chapel and during Religious Emphasis Week this year. In addition, the group sang for various services in some of the local churches and also made an appearance at the annual Harrisonburg-Rockingham County Chamber of Commerce banquet held here on campus in December.

As an annual project, the Chorus sponsored ushers for the campus movies each Saturday night.

Acting as one of the hostesses for the annual Federation Conference held in October on Madison College campus and participating in the Federation of Music Club's concert given at Staunton in April were the outstanding events of the year.

Not only has membership in this relatively new organization increased this year, but also the Chorus has acquired choir vestments for the first time.

The Chorus functions with the able direction of Miss Edna T. Shaeffer.

Choral Ensemble

The Madison College Choral Ensemble is composed of fifteen members. It concentrates mainly on the singing of madrigals and a cappella sacred music, but has done secular cantatas and other types of vocal chamber music.

The members of this group have enjoyed singing over the radio and in various Harrisonburg churches and clubs. Highlights of their contributions to the College were the Christmas Assembly program, in collaboration with the Modern Dance Club, which was based on an old English legend; presentation of a Friday Chapel program; and singspiration. Also they have attended various district music festivals.

The Ensemble has been organized for two years and is under the leadership of its founder, Miss Gertrud Burau.

Geographical Clubs

The Georgraphical Clubs were organized the early part of this year to meet the needs of students from various areas of Virginia. Their aims are to bring about a closer association among the students living in these areas, to facilitate holiday transportation arrangements, to be of assistance to prospective Madison students, and to promote social functions with other colleges having similar organizations.

The Executive Council, composed of the presidents and advisors of the individual clubs, acts as a coordinating body. Membership is open to all students wishing to participate in these activities.

The Stratford

Top: Rettie Warren, President.
Bottom: The last-minute rush.

The Stratford Players were first organized on Madison campus in 1917 as the Stratford Literary Society for the purpose of studying drama. But theory without practice is as bare as an undressed stage, so this organization grew into the Stratford Drama Society and then the Stratford Players.

Membership in Stratford is based largely on interest manifested through attending classes in various phases of production conducted by the members, doing backstage work, and acting roles in plays. For each of these jobs, points are given which, when totaled to the magic number required, make one eligible for membership in Players. This year ten new members were initiated, bringing the total club membership to an active thirty-five.

The most important impetus to the success of the group is the able, capable, and incomparable "Doc" Latimer, director, advisor, and often hostess to the club. The club has prospered under the leadership of President Rettie Warren and the slate of officers who have done a commendable job in promoting dramatic interest on the campus.

"In the Summer House"

Players

"In the Summer House" was chosen as the fall production, and "Bernerdine" was the spring presentation. Not to be forgotten as one of the highlights for the Players was the informative and enjoyable social which was given for the Canadian Players from Stratford, Ontario, after their performance of "St. Joan."

The Stratford Players have presented, in their productions, interpretations of our world through that of make-believe. Let us remember the privilege, fun, and satisfaction that comes to the Players in thus expressing dramatic interest and talent.

Friday night of the German-Cotillion dance week-end.

PRESIDENT
Bee Ellis

The Bluestone Cotillion Club

The Bluestone Cotillion Club began the year 1955-'56 by welcoming twenty-six new members in fall goating. A complimentary bid was sent to Vera Gomez, Madison's foreign exchange student from Brazil.

On January 21, Cotillion held its cabaret dance in Reed Gym. Music for the dance was provided by The Starlighters.

Cotillion and German were "In the Mood" for a combined dance weekend on February 25-26. It began with an informal dance Friday night, music by The Red Dots, and concluded with a formal dance Saturday night, with Tex Beneke providing the music. The theme for the dance was, what else but, "In the Mood."

Only through the able leadership of Bee Ellis, our president, and the sponsorship of Dr. and Mrs. Glenn C. Smith and Dr. and Mrs. Charles Caldwell could the year 1955-'56 have been such a successful one for us.

PRESIDENT
Frances Dinwiddie

The German Club

The German Club began its twenty-fourth year on the Madison College campus with its annual cabaret dance. Later in the year we enjoyed fall and spring "goating" and heartily welcomed all our new members.

The year 1955-'56 was climaxed by the joint German-Cotillion Club Dance, "In The Mood," with Tex Beneke's orchestra.

Our heartfelt thanks go to our very capable president, Frances Dinwiddie, and to our sponsors, Dr. and Mrs. Raymond Dingledine and Mr. and Mrs. Thomas Leigh.

A very successful year was brought to an end with our spring picnic.

The Sesame Club

The Sesame Club is the organization of women day students at Madison. Its purpose is to establish better relations between these students and the college.

The club has regular meetings on the last Friday of each month. Each fall the club's new members are initiated at college camp.

The organization was led this year by Louise Swats, president. Its advisors are Miss Ferne Hoover and Dr. and Mrs. Glenn Smith.

The Sesame Club sponsors an assembly program each year, which this year, as in years past, featured the Harrisonburg High School Band. Besides this, the club also sponsors social functions, the most important of which is our Christmas program.

Sesame means "to open a door." This is what the club strives to do in the relations between day students and resident students.

Curie Science Club

The Curie Science Club has as its purpose to establish and maintain on the campus of Madison College an association of persons particularly interested in science and scientific research in all its branches; to cooperate with educational institutions in fostering an interest in scientific matters; to provide a forum for the presentation and discussion of papers on scientific subjects; and to provide opportunities for cooperation and fellowship among its members.

The club was founded on campus in 1934 and, since that time, has taken an active part in the Virginia Academy of Science and similar organizations. Club and faculty members present papers and projects to the club. Each year the club takes field trips and sponsors an assembly program.

The club has as its sponsors Dr. Cool and Mr. Bocskey, who for the past eight years have helped to make our club successful.

CHAIRMAN
Carol Shufflebarger

Panhellenic Council

The Panhellenic Council is an organization set up to serve as a medium through which the "Greeks" on campus work together in promoting common interests and solving mutual problems. The Council, which is composed of three representatives from each sorority, meets every Tuesday afternoon at 4:30. The sororities take turns in serving as hostess, but Mrs. Varner is our favorite hostess. "Aunt Bernice," as everyone on the Council calls her, is our very capable advisor and inspiration.

Perhaps fall rushing is the most important single event for all the sororities. Preparations were made early, and when the time came there was a week filled with parties and open houses for all the sororities. At last, on Saturday, October 29, the excitement of the week was brought to a dramatic climax. In the Panhellenic Room on the fourth floor of Wilson each rushee received her bid, and from there made the long walk to the house of her choice. Many Alumnae were back to join in the activities and to help welcome their "new" sisters.

The Annual Scholarship Award was presented November 21 at the annual Panhellenic Sing. The sorority which received the cup for this year for the highest average was Zeta Tau Alpha. Each sorority sang two of their songs and then we all "lifted our voices" in "The Panhellenic Spirit."

The Christmas Dance is one of the most important events sponsored by the Panhellenic Council each year. This year the theme of the dance was "Santa's Swing," and Reed Gym was all dressed for the occasion on the night of December 10. Santas gay with musical notes and instruments carried out the theme. Greenery bordered the sorority shields and covered the arches through which the court, led by Carol Shufflebarger and her escort, entered. For the figure the girls wore white dresses and carried red carnations. After forming the letters "P.C." the girls and their escorts made an outline of a Christmas tree. The lights were turned off and candles lit the tree as members of the figure sang "We Wish You a Merry Christmas." Burt Massengale

and his orchestra provided the music from a merry sleigh. During the evening the orchestra played a request for each sorority. On Saturday afternoon the orchestra also gave a concert for the enjoyment of the college students and the public. This dance proved to be a highlight of the year to all those who attended and to all those who worked so hard for its success.

Another social highlight of the year was the faculty tea given in Alumnae in February. When a national officer visits any sorority, Panhellenic Council invites her to attend a session, where she gets to watch us in "action," and we benefit greatly by what she has to tell us of national activities. Our chairman represented the Madison Council at the state workshop held at Radford in October. The Council sent Christmas gifts to Madison's former foreign students. This year the sororities continued the policy of taking records to the dining hall each week.

Our banquet in the spring marked the end of a very busy but happy life. We feel that through the able leadership of our chairman, Carol Shufflebarger, and the cooperation of every member of the Council, we accomplished much during the year.

Alpha Sigma Alpha members returned to school in September eager to hear the exciting events of the convention held in July at Biloxi, Mississippi. We were very proud to learn that Pat Lewis, our representative to the convention, had returned with the Council Trophy which was awarded to Beta Epsilon at the Convention. This award is given every three years to the chapter with the best officer efficiency. At our first meeting Pat gave us a full account of the convention. Our heartfelt thanks go to Pat for representing us so well at the convention.

We soon settled down to the general routine of student-teaching, classes, and big plans for our rush party when we transformed our house into a "Mexican Fiesta." Rush weekend climaxed the rush period. It was at this time that we welcomed twenty-one new sisters and many alumnae.

In November, we celebrated our annual Founders' Day Banquet at the Belle Meade Restaurant. For Thanksgiving we sent a basket of provisions to a needy family in Harrisonburg.

The Christmas season brought many gala events . . . the caroling party with the other sororities on campus, the inspiring party given by the pledges when they portrayed for us "The True Meaning of Christmas," and the party that Miss Rucker, our housemother, gave us before we left for the holidays. All of these and many more add to the wonderful memories which we will always cherish.

We were very proud of our many sisters who held campus offices. We were especially proud when Charlene Meyers, Em Sutton Holland, Mickey Murphey, Pam Bond, and Shirley Blackwell were selected for Who's Who Among Students in American Colleges and Universities.

We are extremely grateful for the wise advice and thoughtfulness of our advisor, Miss Louise Boje, and for the calm assurance and guidance given us by Katherine Harding, our president. Their generosity has helped us to make this a wonderful year for all Alpha Sigma Alphas at Madison.

"You take a **A** from it's always wonderful, you take a **S** from it's simply swell, you take a **T** from it's terrific, and from Zirkle House you'll hear our yell" — Yes, this is descriptive of the new home that the Psi Chapter received this fall.

This, along with other features that have happened during the year, remind us that **Alpha Sigma Tau** has new opportunity and strives for fidelity to purpose, loyalty and social development.

One of the greatest thrills for the Psi girls, was attending the Alpha Sigma Tau convention at the Hotel Roanoke in Roanoke, Virginia during August. Those who went were very proud when Barbara Johnson became Convention Queen during the beauty pageant. Other courses of events were shared with the rest of the Psi's here on campus.

In September many of the Tau's returned to the campus to move into a brand new home. Furniture was placed into order, new drapes were hung and everyone worked with a positive attitude to establish themselves in new surroundings.

Another pleasant surprise awaiting us was Dr. Imogene Dever, new professor of elementary education at Madison, and new housemother at Zirkle.

October was a busy month for us as we made hasty and thorough preparations for our rush party. "The Carnival" was a glorious success and one week later we heartily welcomed fifteen pledges into Psi Chapter. We also had open house for all the sororities and a visit by a national officer.

December was a month full of cheer and endless rejoicing as our pledges officially became members and received their own pins. Following initiation we had our annual Christmas party and entertained three underprivileged children from Harrisonburg.

The Panhellenic Dance, "Santa's Swing" was held on December 11 and we had a marvelous time. Helen Diffee, Helen Johnson, and Martha Goodwin represented us in the figure.

Five Alpha Betas came to Madison from Marshall College for a weekend in February. Mrs. Peterson, national president, and Mrs. Snidow, district president, accompanied the girls.

PRESIDENT
Helen Johnson

The spring brought us new sisters and later on in the month of May we ventured to college camp for a weekend full of "socializing," serious thought and laughter.

June 4, the Psi's had their farewell breakfast for the Seniors, and soon afterward we bade our goodbyes to them with tears of happiness only to know that success and opportunity was before them.

Yes, the year was gone all too soon, but to Helen Johnson, our president, and Miss Frank, our advisor, due to their sincerity and inspiration, memories of the past year were ours to keep and remember forever.

AST brought Christmas cheer to underprivileged.

Another year and many added memories for **Pi Kappa Sigma.** Shenandoah was waiting for us in September, sparkling with pride over her face-lifting. A bit of painting had been done and our apartments looked years younger. Our Alpha Omicron president, Stewart Abbott, provided the initial entertainment with news and stories from the National Convention which she attended in Chicago during the summer.

Shenandoah was in a "Heavenly Daze" again for our fall rush party. You've never seen us so angelic. Rush week-end saw many of our loyal Pi Kap alumnae back at Madison. Besides just the thrill of seeing them we were tickled pink with the chair they gave us. All this added to the rejoicing we did over our pledges.

November found us celebrating Founder's Day at Belle Meade Restaurant. We sang, talked, paid tribute to our founders . . . and ate.

Our own Carol Shufflebarger "did us proud" as she led the figure at the Panhellenic Dance just before Christmas. "Santa's Swing" was a huge success and we Pi Kaps were justly proud of "Shuffy."

Christmas came and went and we were pleased to have our Alpha Sigma Tau neighbors over for cocoa before we went caroling. The old members treated the new ones to a Christmas party and we all enjoyed our Christmas goodies. We were most pleased to have Santa Claus drop in — we're never too old!

Our two dance clubs on campus joined forces to give a dance in February and Pi Kappa Sigma was pleased to call Bee Ellis, the 1955-'56 president of the Bluestone Cotillion Club, our very own. We were particularly proud of Rettie Warren, who was president of the Stratford Players and also was named to Who's Who in American Colleges and Universities.

I suppose our television was the bain of our existence this year. We can only hope that it's now over the childhood diseases and will enjoy good health in the future.

Through the year we worked together steadfastly to maintain our aims and ideals, not without allowing time for laughs along the way. Perhaps the Pi Kaps to whom we owe the most for such a worthwhile and pleasant year are our president "Stew" and our loyal and beloved sponsors, Mrs. Smith and Miss Patterson.

Sigma Sigma Sigma's Sprinkle House emerged from the painting and varnishing just in time to be ready for the fall deluge of sisters' greeting and the first big function of our sorority, Regional Meet.

Within a comparatively "sparkling" interior, Alpha Upsilon Chapter completed plans for Saturday, October 1, when delegates from Radford, Longwood, and Drexel Institute of Technology in Philadelphia, would be arriving. We anticipated seeing Emily Lewis Lee, our national collegiate secretary, who was the officer-in-charge for the occasion. Upon the day's arrival, activities were smoothly carried out with the able direction of indispensable committee chairmen, our president, and Emily.

Conversation during this early fall period was dotted with fond comments on the picnic held at the Well's in the summer. We awaited another get-together at Jane Dingledine Heuston's, held soon after Regional Meet.

Rush week-end and final bidding! Costumes of purple and white of college members and the familiar faces and smiles of alumnae were to be seen on the side porch as we all joined hands for the ribbon ceremony and "Dear Pledge."

Our twenty terriffic pledges breezed through their training period and their exam and were initiated on December 9. One of their special contributions to the house was the dressing-up of "Hebie," our Greek statue. . . A characteristic purple headband did wonders for our receptionist!

Prior to the Christmas holidays, Dr. and Mrs. Miller, Mr. and Mrs. Gibbons, and Mr. and Mrs. Roberts were our guests at "open house." In this manner we endeavored to show our deep appreciation for the wonderful "new look" of our home for which they were responsible. Many thanks to them again!

The 'old' members especially enjoyed the party given them by the new ones the last evening before leaving campus for the Christmas holidays. The presentation of monogrammed collars brought on exclamations of pleasant surprise from "the guests."

In the early part of January we bought ourselves a T.V. set. At last it was possible to keep up with all our favorite programs.

A weekend at Camp Strawderman with our beloved Barca was another of the memorable events of the year, especially for the Seniors. . . . Nor can the Seniors forget their comings and goings as student teachers. Those several on the block plan prevented us from having a house-full for a long time . . . and were they missed! But finally, in March, Alpha Upsilons were all present and accounted for!

"Sigma Serves Children," our social service theme, was equally effected this year as we sought ways of helping those in need. Our dollars were donated to the Robbie Page Fund, Tri Sigma's own effort toward combating polio. We strove to meet the needs for other established projects, and thus did our share for less fortunates.

PRESIDENT
Carolyn Caricofe

An annual social event we enjoy is the debate with Sigma Delta Rho fraternity. Timely topics easily engage the moments of an argumentative evening but the laughter reveals that it's all very much in fun. Many profound statements are made, however, and with refreshments there's "food for thought."

. . . Came the end of the year. . . Sigmas were to be seen again on the veranda, engaged in conversation . . . speaking of future plans . . . and inevitably reminiscing.

Theta Sigma Upsilon, with its twenty-five returning members were eager to enter another busy and eventful year. Messick House was a beehive of activity as those living there began to fix up their rooms in preparation for another happy and busy trip around the calendar to June.

Rush week was our first exciting and important event of the year. At the beginning of Rush Week we opened wide our doors and heartily welcomed the girls to Open House. Then came our big party — Twenty Thousand Leagues Beneath the Sea — and at the end of the week seventeen new pledges were welcomed into our fellowship.

In January Phi Chapter sponsored the annual March of Dimes Drive at Madison.

Several highlights of the year were our National Convention held in Roanoke August 1, 2, and 3; our Christmas party, a time of merry making when we exchanged gifts and gathered 'round the piano to sing Christmas carols; conducting our annual magazine campaign to help the Cerebral Palsy children; having an informal discussion with the men's fraternity, Sigma Delta Rho; and spending an exciting and fun-packed weekend at our housemother's cabin at Raleigh Springs.

We were all excited and proud when our First Vice-President, Helen Boyd, President of Alpha Chi Chapter of Kappa Delta Pi, a national education honor society, was selected to attend their national convention at Oklahoma A and M College in Oklahoma.

We have experienced a happy, active year under the capable leadership of our president, Eleanor Lehman. The sorority's social and business projects have been carried out with enthusiasm. All of us deeply appreciate the friendly and invaluable help of our faithful advisor, Miss Celeste Ulrich.

The story of the founding of Theta Sigma Upsilon is one of determination, courage, and hard fighting. It began as a literary society at Kansas State Teachers' College, Emporia, Kansas. Known as the Sigma Literary Society, its members leased a house in the summer of 1919 and were recognized as a local sorority. From that beginning, they established themselves as a national education sorority, under the name of Theta Sigma Upsilon. Their goal was to form a sisterhood that would have for its five-fold aim the physical, the intellectual, the social, the ethical, and the spiritual development of its members.

Home is where the heart is, so they say, and down at Dingledine House you will find the Madison Zetas very much at home. Here we work and play, and here we plan all those wonderful things that a group of girls united by love do plan. Working toward the high ideals for which our **Zeta Tau Alpha** stands, we of Gamma Kappa Chapter have lived and loved like true Zetas, growing closer day by day.

Our fraternity, an international organization, was founded at Longwood College, Farmville, Virginia in October, 1898. The enterprising girls who worked to form the fraternity went farther, for in March, 1902, Zeta Tau Alpha became the first women's fraternity to be chartered in the state of Virginia and the only one ever chartered by a special act of the legislature. Quickly expanding, the fraternity soon had many women striving to carry out its purposes.

Not only have we Zetas on Madison's campus been members of Zeta Tau Alpha; we have been college citizens. This was shown by the many honors received by our members and by the fact that many have held campus offices. To broaden our horizons and to prepare us to take our place in the world, we have tried to branch out a bit and give help to those who need it. At Thanksgiving and Christmas we adopted a needy family and helped bring cheer into their lives. Other social services include contributions to our national funds and help to the National Society for Crippled Children and Adults. Giving of our time and energy, we were able to give to others.

Such wonderful times we've had together that it seems impossible that this year passed so quickly. Of course, Fall and Spring Rushing were highlights to both old and new members. There was that marvelous week-end at camp, "Mrs. Curtis Day," our Sundays at church together and the traditional White Banquet.

One of our biggest moments was when we were awarded the Panhellenic Scholarship Cup. Our Christmas gift, the TV set, has kept giving pleasure. Second semester moved rapidly toward June, while we enjoyed continued fun and fellowship in our own group and with others. For pages we could write of our good times together and the things we've done this year. There are so many little personal incidents which we will hold in our hearts and memories forever.

PRESIDENT
Rita Ritchie

To our advisors we express sincere appreciation for their able counseling and guidance. And to our officers, who have given of their time and themselves, we express our thanks. We have completed another wonderful year.

Sigma Delta Rho, the men's fraternity on the Madison campus, had another big year with many varied activities. Included was helping the Panhellenic Council with their dance, debating with different sororities, and singing Christmas carols on campus. These activities helped bring each of us into closeness and fellowship which we need in our college lives. Under the capable leadership of our president, Paul "Buck" Long, we started off the year with a big bang by "informally" initiating our new members at Mr. Bocskey's "Recreation Room." From the looks of the pledges the next week, everyone on campus knew that Sigma Delta Rho had struck again.

The fraternity wishes to sincerely thank Mr. and Mrs. Bocskey and Mr. and Mrs. Sanders, who, as our wonderful advisors, were always willing to lend a helping hand and be of great assistance whenever we called upon them.

Our officers were: President, Paul Long; Vice-President, Thomas Byrd; Recording Secretary, Edward Michael; Treasurer, Gordon Leisch; Alumni Secretary, Odell Dellinger; Chaplain, George Leffel; Sergeant-at-Arms, William Garrett.

The Athletic Association

The Athletic Association is one of the major organizations of the college and its membership consists of all students who are enrolled at Madison. The Athletic Association Cabinet is the executive body, composed of the president, vice-president, secretary, treasurer, intramural coordinator, extramural coordinator, and class representatives. The Council includes the presidents of the Fencing, Mercury, Orchesis, and Porpoise Clubs, all sports leaders, and team managers.

The purpose of the organization is to encourage an interest in athletic activities, to promote good sportsmanship, and to cultivate a spirit of cooperation and fellowship. The Athletic Association attempts to accomplish these purposes through the many activities it sponsors through the year.

The annual chuck wagon party for the freshmen begins the activities. Throughout the year the association sponsors many intramural sports including hockey, basketball, softball, volleyball, archery, badminton, table tennis, fencing, golf, swimming, tennis, and dance. There are extramural teams in hockey and basketball.

The Athletic Association's yearly program is climaxed by the sponsorship of Madison's traditional May Day.

Go Girls, Go!

Hockey

They are the "Hockey Girls" . . . and they love it! Some of the old girls went to Hocky Camp where, under the direction of Constance Applebee, coached games, stick work, and exhibitions reigned the day. At night I hear that their lullabys were composed of questions and answers on hockey. At meals, they ate amid the chatter of hockey, and, for a change, they could always play hockey!

Miss Leotus Morrison, Extramural Coach, and "Dosie" Talbert, Manager, accompanied the girls to Bridgewater on October 8, for a fine game, ending in a 5-5 draw. The Longwood game also ended in a tie. We defeated Westhampton 5-2 and tasted defeat at the hands of Hollins later in the season.

At the Blue Ridge Tournament, Mary Lou Carroll was placed on the Blue Ridge second team, while Pat Schultz, Anita Webb and Betty Harrelson were selected to serve as alternates for other team positions.

Mercury Club

The Mercury Club serves as a professional organization for physical education majors and minors. Social and recreational programs are planned throughout the year to promote better professional attitudes, advance good fellowship, and provide leadership experience.

This year the Mercury Club was proud to present as its assembly speaker, Dr. Catherine Allen, President-Elect of the Southern District, American Association for Health, Physical Education, and Recreation. Her address, informing us of recreation in other lands, was later followed by an hour of recreation for the student body.

Other such opportunities for fun and professional education are provided frequently for members of the Mercury Club.

The officers are Carolyn Legard, President; Betty Harrelson, Vice-President; Anita Webb, Secretary; Pat Schultz, Alumnae Secretary; Mary Anna Hollomon, Treasurer; Betty Newman, Reporter.

Basketball

After many evenings of polishing up their skills and building up their endurance, the Madison Duchesses got their season off to a shining start by winning their opening game with Sweet Briar on January 21, and they continued their outstanding performances throughout the season. Following their trip to Sweet Briar, the team entertained Longwood on February 17, and lost by a very close score. On February 28, the Duchesses traveled to Bridgewater and then played their final game on March 3 with Lynchburg College in Lynchburg.

Their very capable coach was Miss Celeste Ulrich and the team manager was Beverley Pearce.

And let's give fifteen rah's for the other team!

And it's good for two points!

Fencing Club

The Fencing Club is one of the newest clubs on campus. The club provides an opportunity for students interested in fencing, creates interest in the sport of fencing, and the club sponsors various types of fencing programs in the interest of the college and student body.

This year's activities included an alumnae meet, a meet with the College of William and Mary, and a trip to Mary Washington for a meet. This year also introduced a new intramural program. Individual instruction was given to students by members of the Fencing Club.

Dr. Caroline Sinclair is the advisor and instructor of our club with Sara Welch and Nancy Gardner serving as president and secretary-treasurer respectfully.

Nancy Gardner, Sara Welch, Dr. Sinclair, Miss Morrison, Harriett Hylton, Nancy Hyde, Vickie Hall, Doris Critzer, Jenny Shaffer, Suzan Matthews, Jan Vanover, Ann Turner. *Not shown*: Judy Bair.

The Porpoise Club

First row: R. LeGrand, B. Bowman, B. Johnson, M. Talman, N. Talman, M. Mason. *Second row*: J. Yancey, C. Davis, B. Newman, N. Hyde, S. Plentovich, L. Hall, R. Plentovich, D. Dawson. *Third row*: J. Bowlen, S. Painter, S. Matthews, A. Hayes, G. Leisch, G. Maupin, B. Lund, G. Swanson, A. Clark, C. Gratz.

The Porpoise Club serves to promote further interest in swimming, to help others learn to swim, and to emphasize the importance of safety measures which are imperative to each individual. Through the careful guidance of our sponsor, Miss Beyrer, the members of this club strive to attain these ultimate goals. Tryouts are held each semester and members are selected by their grace, skill, and stroke ability.

An annual water pageant is presented by the Porpoise Club in the spring. At this time various stunts, strokes, and rhythmic swimming numbers are performed. Many hours of diligent practice are devoted to the preparation of this special event, but the feeling of accomplishment that prevails after a performance is invaluable.

Orchesis

Orchesis, the modern dance club, organized their weekly meetings for the 1955-'56 school year early this fall and started right to work learning and practicing new techniques. Tryouts of candidates for membership were held late in October and the most outstanding students were selected for their grace, coordination, and skill. For the first time, a junior dance group was formed for anyone who wishes experience in dance or preparation for the Orchesis tryouts.

The "Understudies" have worked quite hard this year and they have danced with us in the Christmas program and our Spring Recital.

With the accompaniment of the Choral Ensemble and the Orchestra, our Christmas program was produced. The most memorable dances in our program include "Wassail," "The Twelve Days of Christmas," and the "Mummer's Dance." After our Christmas holiday, we began work on our spring recital. At this same time, a selected group of dancers also began preparing a dance to take to the Fine Arts Forum at the Women's College of the University of North Carolina in Greensboro, North Carolina.

Pictured in the scenes on this page are: C. Grimm, B. Pearce, K. Kelly, A. Scott, R. Plentovich, B. Hunt, L. Hall, H. Sellner, J. Bolen, J. Kafer, G. Hockman, M. Manhardt, M. Choate, S. Brankley, R. Frank, C. Evans, S. Sweet. Not shown: E. Browles, S. Plentovich, M. Yarger.

On April 6 and 7, the club presented its big dance recital in Wilson Auditorium. Under the lights, a captivated audience saw a Hindu ballet, a study in jazz, a dance with a mobile, Oasis, a study of primitive movement; and many other creations by members of the club. This year was successfully brought to a close by our participation in the May Day program. We would like to express our sincere appreciation to Mrs. Hewitt, our advisor, for her guidance in all of our productions.

Officers include: President, Helene Sellner; Vice-President, Charlene Grimm; Secretary, Marge Yarger; Treasurer, Beverley Pearce; Reporter, Charlene Grimm.

Intramural

And it's 1-2-3 strikes and you're out when you play intramural softball. This year, there was plenty of fun for everyone when the girls assembled out beside Junior Dorm ready to play. The planning and scheduling of the games was done by Tish Quarles.

The intramural basketball season got underway early in the fall when Pat Schultz began dividing the dorms and houses on campus into the Purple and Gold Leagues. Enthusiasm rose high as each team awaited its chance to play its way into the final tournament. The season was climaxed by the inrtamural Honorary Team vs. the Madison Duchesses' game.

You can travel back campus both in the fall and spring to find that golf proves to be an appealing sport for many of us Madisonites. And when you make par over those hazards you have really accomplished something. Doris Critzer gets the credit for setting up this program.

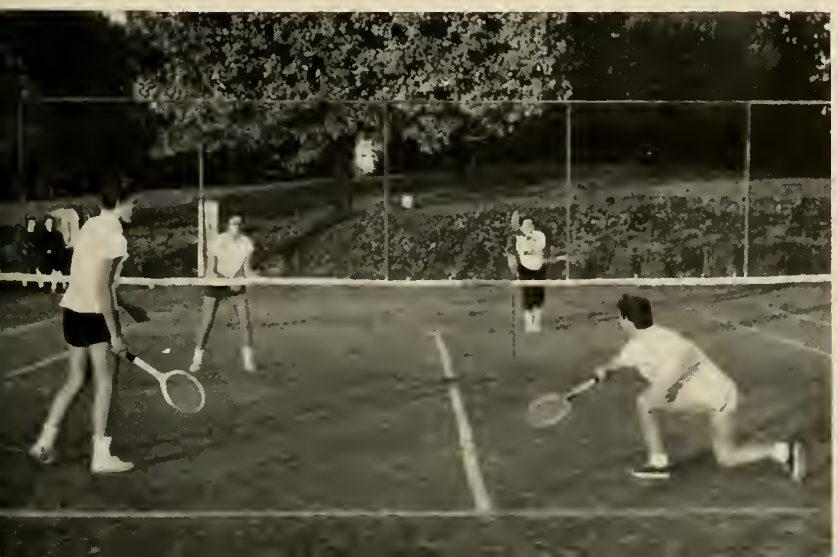
Reed Gym resembles a bee hive when three games of volleyball get underway at one time. This sport encouraged a keen competitive spirit from many interested girls, and the tournament proved to be a big delight. Marjorie Dulaney was the sports director for this game.

Sports

Relaxation is found by many girls when they take a break from their studies to play a game of table tennis in the recreation rooms. Competition arrangements were made for this sport by Jacqui Albrecht.

A steady hand and a keen eye are developed by the participants in intramural archery. A great deal of satisfaction is derived from hitting the "bull's eye" after many hours of practice. Eleanor Wayne contributed her experience and time to the smooth functioning of this sport.

During the colder months, we swing into the square and folk dance program with Nancy Gardner and Shirley Bramlett leading the way. It is fun for all when you hear them call, "Swing your partner and docey-doe."



When the weather becomes suitable, the six tennis courts back campus become a very popular source of fun and recreation. The intramural tennis matches were under the direction of Janice Miller and were participated in by many tennis enthusiasts.

"Santa's Swing" swung in with a good time for all as an early Christmas gift.

The Madison College Alumni Association

The Madison College Alumni Association congratulates you, the class of 1956, on the four years of work you have completed. Another milestone has been reached. Now you stand on the threshold of the life and work for which you have been preparing since you were born. Our best wishes are with you wherever you may go.

Your senior class president will serve as a class agent whose responsibility and opportunity it will be to keep you in touch with each other and with your Alma Mater. You will help her and help us tremendously if you will notify your Alumni office when any change of address or name occurs.

The Alumni Association invites you to become an active member of our organization, another branch of the ever-growing Madison family. By active, we mean one who keeps our Alumni office informed as to one's whereabouts and activities so that the office may in turn keep up college and class contacts. An active member is asked to contribute annually to our Madison College Loyalty Fund and to pay dues of at least $1.00 per year.

You are also cordially invited to join one of our Madison College Local Chapters, located in Baltimore, Md., Charleston, W. Va., Northern Virginia Area, Winchester, Lexington, Culpeper, The Peninsula, Norfolk, Portsmouth, Richmond, Roanoke, Danville, Surry-Sussex and Harrisonburg. Join the group nearest you and enjoy the fun and fellowship of others who know and love Madison also.

As you go out to take your place in the world's work, you take with you something of Madison College, just as you have left something of yourself here. It is our earnest hope that through you the influence and contribution of our Alma Mater may continue to grow, and to instill principles of truth, righteousness and brotherhood in the lives of the future citizens of our nation.

Agness S. Dingledine
Alumni Secretary

Founded?	1908.
Located?	In the heart of the Shenandoah Valley at Harrisonburg, Virginia.
Named For?	James Madison, fourth president of the United States.
Enrollment?	More than 1200 students attended Madison of whom 125 are men. Men have been admitted under certain conditions since World War II.
Degrees?	Bachelor of Arts, Bachelor of Science in Education; Bachelor of Arts and Bachelor of Science — Liberal Arts; Master of Arts and Master of Science in Education.
Standing?	Accredited by Southern Association of Colleges and Secondary Schools, National Council on the Accreditation of Teacher Education, Virginia State Board of Education. Member of Association of American Colleges, American Association of Colleges for Teacher Education, American Council on Education, National Commission on Accrediting, Association of Teacher Education Institutions, Corporate Member of American Association of University Women.
Alumni?	Over 9,000 men and women now teaching in the public schools of Virginia. Madison has graduated more certified teachers than any other state college. Many Madison Alumni are engaged in scientific research, responsible posts in dietetics and institution management (Madison originated this program in the state), school library posts, and teachers in every level of education and in all subject matter fields. Also listed among Madison's alumni, are persons in other professions like medicine, dentistry, art, music, writing and journalism. Some are social workers, many capable housewives and mothers.
Campus?	Excellent living accommodations. Soon to be built — two new dormitories, a practice school and an infirmary. The campus is over 300 acres with 28 buildings in the college plant. Convenient location to town shopping area, to churches, to bus routes are advantages. The campus also boasts athletic fields, two swimming pools, two gymnasiums, an outstanding library, science laboratories and greenhouse. The town offers radio and television facilities. A college camp is located on the Shenandoah River.
Other Features?	The college has facilities for wide screen movies, and students may also join the Foreign Film Society, and two concert series, for students and townspeople. Outstanding artists and lecturers come to the college each week for the special student assembly.
